RESULTS

EVERYONE WINS

When we achieve our Vision

To be America's leading
primary care provider,
transforming care of the
neediest populations.

OUR MISSION

We honor Seniors with affordable VIP care that delivers better health.

What We Do

Operate 50+ primary care clinics

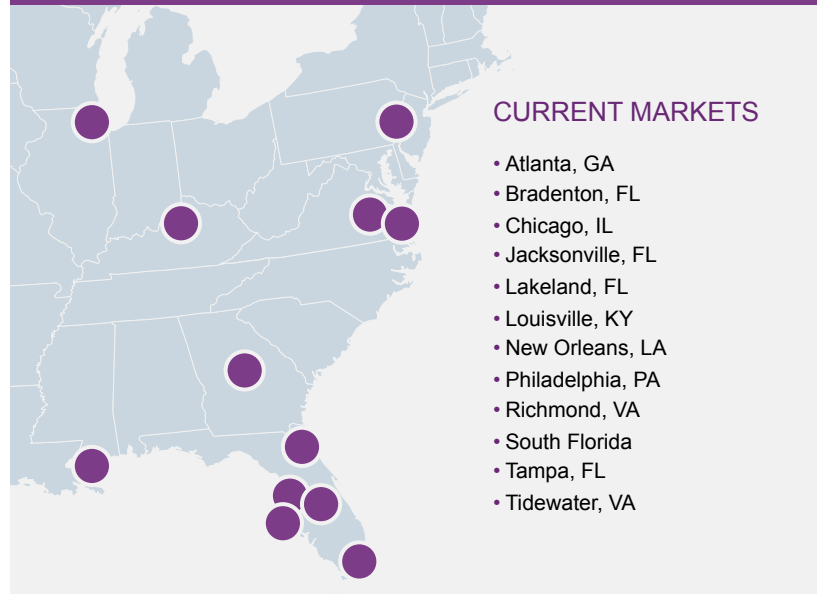

Take global full risk for Medicare Advantage and Dual Eligible members in multiple plans

Provide a “concierge” solution, with superior outcomes, to lower-income, polychronic seniors – for no fee

Our medical centers are located in primary care shortage areas.

What We Offer

PCP-led care

Early disease detection
& comprehensive
disease management

Easy and frequent
access

Onsite services

VIP CARE

5x the attention*

450 patients per ChenMed PCP

- Comprehensive care in one location with dedicated **specialists, medications, and testing on-site**
- Door-to-doctor **transportation available**
- **Coordination** with **care transitions**
- **Literacy-sensitive** materials
- **Financial Hardship Policy**
- Events and educational gatherings
- **Proprietary EMR** with comprehensive & intuitive user interface

Services designed
for our
demographic

A medical home
for clinical and
social support

* Based on ChenMed panel sizes under 450 patients versus primary care doctors in America who, on average have 2,300 patients.

High-Touch Care Leads to Better Outcomes

Patient affordability

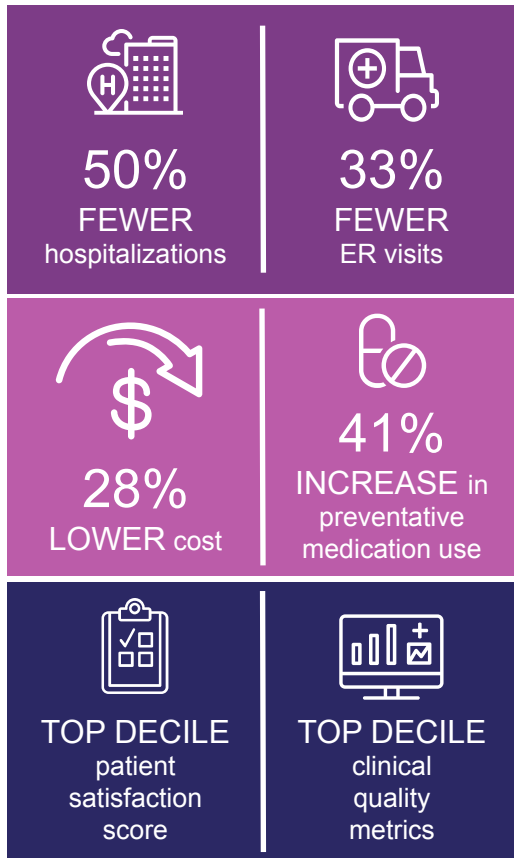

Better patient health

Physician leadership

Health plan quality, margins, and growth

High-Touch Care Leads to Better Outcomes and Lower Costs in a Senior Population
